No. 1 fan called 'the ultimate in support'

"Get that ball!"

No one who has ever attended a Burlington-Edison High School athletic event has failed to hear this clarion call, shouted in sonorous tones by Dr. Martin Barnes, the school's number one booster.

Last night, the student body turned the tables on Dr. Barnes and gave him "the ball". It was inscribed with his famous call and was designed into a trophy presented to him by the school's Tiger Club in appreciation for his many years of enthusiastic support.

Dr. Barnes not only attends athletic events — he never misses a school play or concert. And he's always out in front, working to pass special levies for the district.

"He's really a terrific backer," John Norris, high school principal, said. "It's been a great help to me, knowing there is a physician at all of our games, whether we play at home or away. And his spirit is contagious. Every school should have a Dr. Barnes!"

Adds football coach Glenn Rickert, "His loyalty, interest and enthusiasm are an inspiration not only to the team, but to the entire community. We can always count on him being there — at home or away — win or lose. He never has a bad word to say — he's always positive, always enthusiastic."

Jerry Garcea, assistant coach, agreed. "He's right there on the sidelines the minute a player is hurt. He never comes onto the field unless we ask him to, but he makes it to the sidelines the minute a kid is down, whether it's our own team or our opponent's. It's got to make the parents feel more secure, knowing he's there, just in case.

"And that's one time he'll leave a game," Garcea continued, "to accompany an injured player to the hospital."

Ted Whan, the school's track coach, was a little more eloquent in his praise. "Dr. Barnes epitomizes the ultimate in support," he said. "He even took a wrestling class from Gary Knutzen last year just to learn more about the sport."

Basketball coach Don Leach affirmed what the other coaches had said. "He really adds to our athletic program. And his enthusiasm never waned when his own children graduated."

Dr. Barnes has lived in Burlington since 1963, when he and his wife, Barbara, moved there from Ft. Bragg, Calif. They have five children and the three youngest, David, Steve, and Martin (Erbs), all attended Burlington-Edison High School. Steve played football and Erbs was a wrestler. The entire family are music lovers, and all three boys played in the band.

Although friends say he has three loves in life besides his family — kids, sports and music — his wife says, "It's the kids. They're practically his whole life!"

She also reports it is not unusual for her husband to attend three football games on a weekend — the Tigers Friday night, the Huskies Saturday afternoon and the Raiders Saturday night!

Athletes report that when Dr. Barnes fills out their physical fitness reports he always adds his personal touch to it. Across the bottom he writes—"Get that ball!"

"He yells 'get the ball' when we're on defense and 'all the way' when we're on offense," Rickert said. "And his rendition of The Star Spangled Banner is almost as effective. The kids can hear him singing out on the field and it gives them a lift."

Added Bill Moss, choir director for the school, "Dr. Barnes sings with such gusto, such open sincerity, that he makes me feel almost unpatriotic by comparison!"

Jerry Schroeder, band director, noted that Dr. Barnes never misses a concert or a play, and is visibly moved listening to the kids perform.

"In these days, when it's fashionable to hide emotions, it's refreshing to find a man like Dr. Barnes, who expresses his enthusiasm and delight for all to see and hear," he said.

Mike Eddy, a member of the Tiger Club chosen to present the award to Dr. Barnes, said the club wanted to show Dr. Barnes they appreciated his support.

"He's always there when we need him—we all feel we can count on him. He's our number one fan!"

The 1974 football team will be remembered as one of the greatest teams ever to represent our school. Their season record was 10 wins and 1 loss. They became only the third football team in the history of Burlington-Edison High School to win 10 games in a season. They were undefeated champions of the Northwest AAA League before losing to Mount Tahoma High School of Tacoma in the semi-finals of the State AAA playoffs. They set a standard of excellence that future teams at B-EHS will find difficult to equal. B-E's powerful machine racked up 262 total points and only a mere 66 points against them were scored.

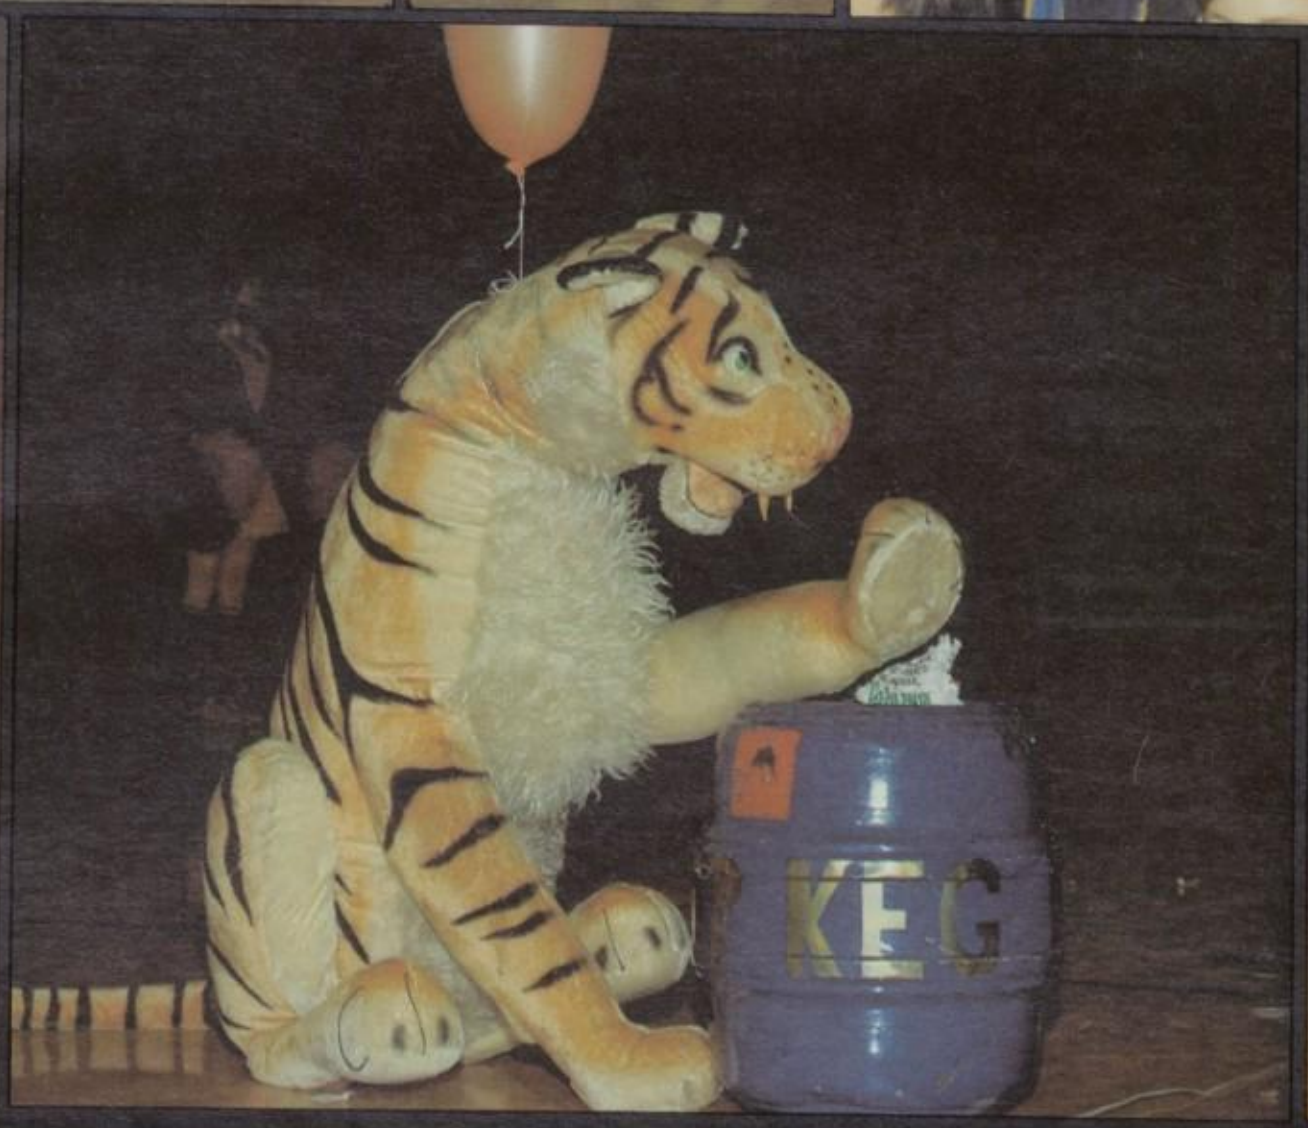
Homecoming



Karen Fox was elected Homecoming Queen for 1974 by the Senior class. Stephi Erickson and Sharon Vague were chosen as Princesses. On the first day of Homecoming activities Karen, Stephi and Sharon were presented before the student body and Queen Karen was crowned.

Friday night, the climax of the exciting Homecoming week, Queen Karen, Princess Steffi and Princess Sharon were escorted before the crowd by seniors, Mike Eddy, Jeff Richter and Jim Ovenell. Karen was crowned by Mr. Ted Banta and Doctor Barnes received a trophy for being a number one fan during the halftime ceremonies. This brought an end to Homecoming 1974.

B.E.H.S. has many good things about it. New buildings, good athletic teams and a solid community backing, among other things. But its best thing, I think, are the people who are a part of it. The faculty, advisers, coaches, and students are what make B.E.H.S. successful, not more money or better facilities. These people have made my stay here a meaningful and stimulating one.

The years are almost over;
The party's almost through;
And so I stop and wonder,
Just what I'm going to do.

I don't know much about you;
But this much I can do;
I know you well enough now,
To tell you, "I love you."

You know it sure seems funny,
That good things always end;
But if indeed we must part,
At least we'll part as friends.

We each have our own pathways,
That lead us who knows where;
But maybe if I'm lucky,
I might meet you there.

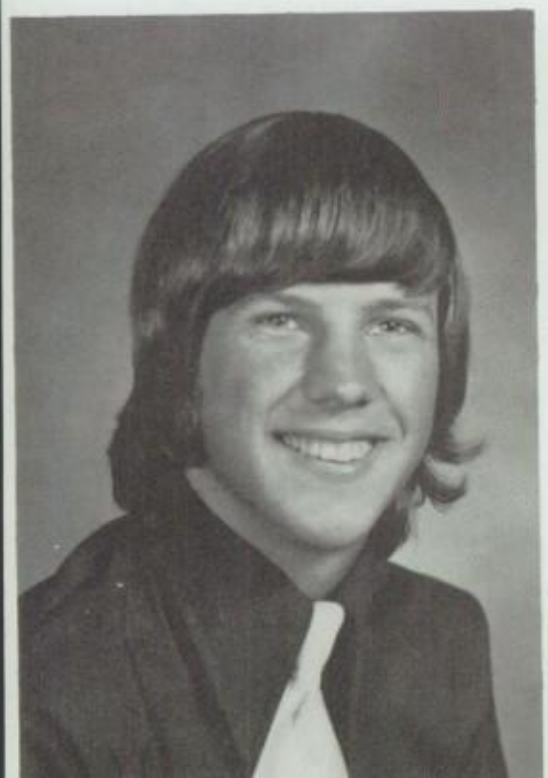
Rotary International Exchange Students 1974-75

Wayne Delahoy Student From Australia



January 20, 1974 B-EHS received the first Rotary Exchange Student in the form of Wayne Delahoy. Wayne is from Australia, the land "down under". His winning smile and happy-go-lucky attitude made him an instant hit at B-E.

Wayne visited Expo '74, Disneyland, Canada, and took a trip back east to Boston in order to visit relatives.

B-E misses our "Aussie". We wish him the best of luck in the future and hope he'll be back to visit us.

BOYS AND GIRLS STATE DELEGATES: Jess Knutzen, Barbara Dahlstedt, Brian Schols, Greg Knutzen, Carolyn Doherty, Suzanne Libbey.

Boys State and Girls State offer an opportunity for youth to learn about and participate in government.

The first part of the week is spent learning about the government and electing city, county, and state officials. Then, miniature city, county, and state government is set up with everyone from city mayors to county commissioners to senators to the governor.

Both Girls State and Boys State were held on the campus of Central Washington State College in Ellensburg on June 9-16 and June 17-24 respectively.

The American Legion plans and sponsors Boys State, and the American Legion Auxiliary plans and sponsors Girls State. Both are outstanding programs of citizenship and patriotism.

The Tigers got off to a slow start this season but regained their composure to come on strong in the second half of the year.

The Tiger roundballers were lead by the only four seniors on the squad. Rob Babington, the Tiger center, lead the team in scoring. Coupled with the ever present Tom Thramer they pounced on the boards and led the Tigers in rebounds.

Dan Coselman was our backcourt general directing the Tiger offense. He was joined at the guard position by speedster Gerry Schutte who spearheaded the Tiger's running offense.

The starting five was rounded out by sophomore Kevin Leach who shows fine promise in becoming one of the league's best players.

The remainder of the squad is juniors. Gary Thramer, Mike Ovenell, Jeff Breckenridge, and Don Doran will be returning lettermen next year and boost the Tigers hopes for a play-off berth next season.

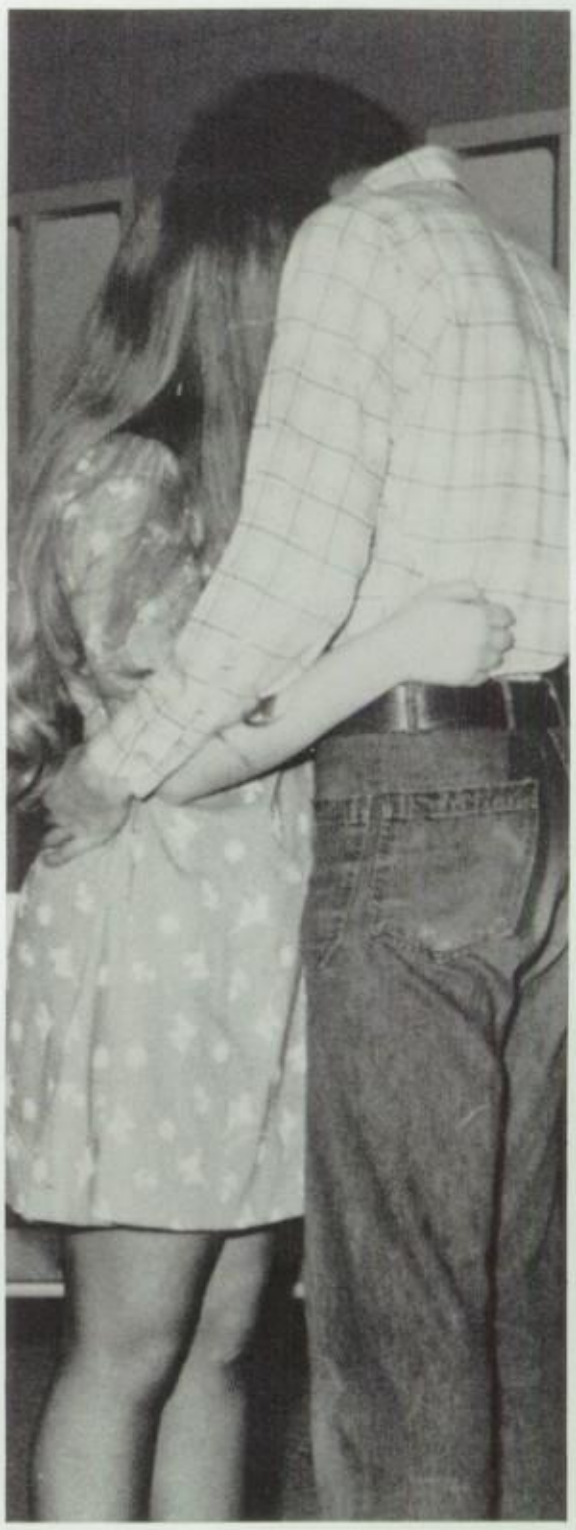
Out of the



The Frances Swan comedy, "Out of the Frying Pan" marked another success for the young B-E players. The hilarious madcap takes place in New York City where six young actors and actresses are sharing the apartment above a famous producer.

The group is constantly rehearsing a production entitled, "Mostly Murder" and the humor appears when several different people wander unannounced into the apartment during the middle of a rehearsal with knived, bleeding corpses strewn about the room.

The production was performed on an Arena stage which marked the second time in BEHS history that such an undertaking has been attempted.

Tigers did well again this year. Last year we were second in league with Dan Estabrook and Dean Rodriguez going to state. Others helping the team were: Seniors Gerry Schutte, Dan Coselman, Don Moody, Greg Pierson, Tom Thramer, and Joe Schibret. The juniors also piled up the points with Jeff Breckenridge, Jay Garcea, Tim Loving, Steve Kahns, Gary Thramer, and Ron Morton. With a new coach with some great ideas the Tigers ran away from the rest of the league.

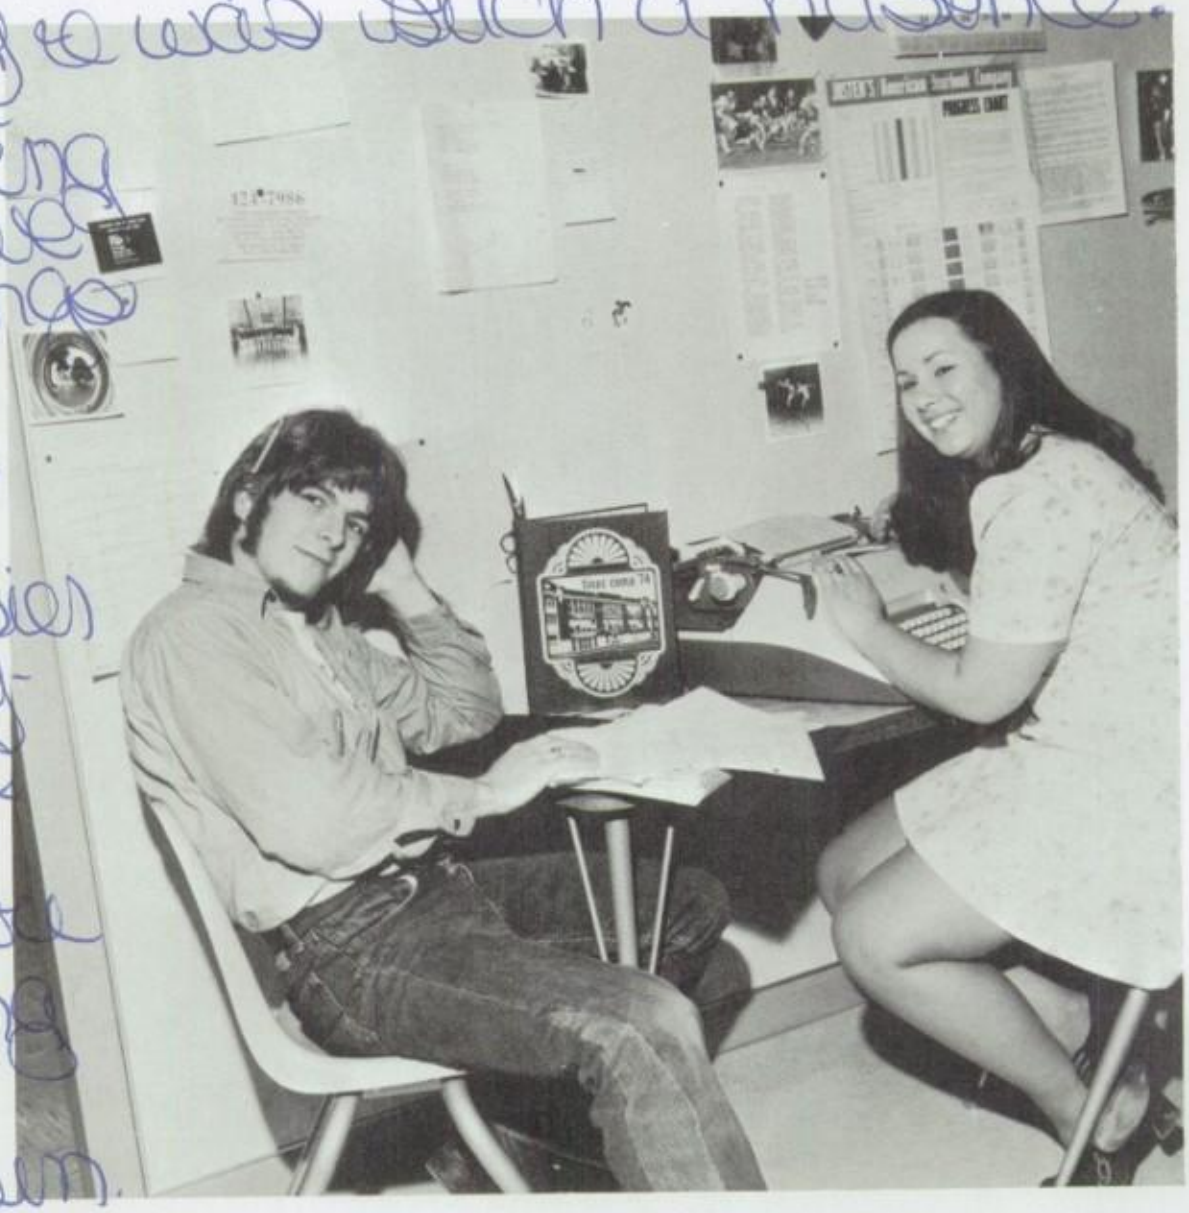
Mrs. Ness
thanks for keeping me make my 4-pt.
reader - sorry I was such a nuisance.
I wish you
weren't leaving
I still have
alot of things
I'd like to
learn still
and I can
learn it easier
from you. May-
be I'll come
back to see
you when you
start teaching
at good old
B-E H.S. again.
Love,
Julie Powers



This yearbook is you. It is filled with activities of the 1974-75 school year and we hope that it also contains memories and deep meaning for every member of Burlington-Edison High School.

We, as editors, have tried to make this Tinas Coma one that you will always remember.

Our job was frustrating at times because of deadlines, problems with pictures, and everything in the world going against us, it sometimes seemed. But all in all, we can look back at the many hours spent as very fulfilling and worthwhile.

Many people deserve our heartfelt thanks. Mr. Eddy, our always calm and cool advisor, the faculty for never complaining when we borrowed students for pictures. Dr. Martin Barnes and all the other fans for their inspiration and support in athletics, all the merchants who bought advertisements, and the members of the staff for all their efforts.

Our sincere hope is that Tinas Coma '75 holds as many memories of high school days for you as it does for us. Thank you for giving us the opportunity to make this yearbook for you.

Mrs. Ness,

I'm really glad that I took advanced Home-ec from you. I've learned many new things not only about cooking & sewing but about life. Now you learn something like that from Home-ec, I'll never know!

Jeanne and I are really going to miss you ~~to~~ but don't worry we'll be around to visit you! Have fun fishing in Alaska with your husband, because you really deserve it!

A friend Always
Wilma

Mrs. Ness,
It seems sort of
awkward writing in
a teacher's annual
but what the heck!
I enjoyed very much having
you for my Home Ec. teacher.
Even though I'm not a great
sewer you've helped me alot.
You are so nice and always so
helpful when a student has troubles.
I hope I'll be seeing you in the future
and have a great trip.

Love

Mrs. Ness.

I enjoyed having you as a teacher. So sad I won't be able to see you next year since you will be going to school like me, But the year after I will all you for sure. Its different writing to a teacher since I have written so many students. Well have fun this summer don't work to hard and I hope you will do good at school. Well I guess I should say bye since I don't know what else to say. Luv Marla '78

P.S. Stay out of trouble and I hope everything goes right for you. 3 more years till I graduate (can't wait!)

Mrs. Ness,
I really enjoyed being in your class this year and I'm going to miss you a lot next year- can't wait till next year- can't wait to see you. Have loads of fun doing whatever you're doing. Come back and see us if you get a chance.

Mrs. Ness,
I really had a good time in your class this year and did learn a lot. I wish you were going to be here next year to teach. You should have waited a year, but I'm sure you'll have fun being away from all our noise.
Vick. L.
